

Chester County Council BSA Merit Badge Counselor List

To: Scoutmaster, Troop 181

Please read this important message: Every counselor on this list had a valid Youth Protection Training (YPT) certification when this list was printed. This list now contains the YPT expiration dates for all merit badge counselors. Before assigning a counselor to a Scout, please check the counselor's YPT expiration date.

Do not assign a Scout a merit badge counselor whose YPT has expired.

The attached packet lists all of your troop's registered unit-only merit badge counselors and additional the registered council wide merit badge counselors. There are merit badge counselors for every merit badge currently offered by the Boy Scouts of America. The list includes all approved applications submitted by noon on Friday, January 31, 2014.

When assigning merit badge counselors to your Scouts, you must only use the registered counselors who appear on this list. Merit badge blue cards signed by anyone not registered as a merit badge counselor are invalid and the Scout may not be credited with completion of that merit badge.

Updated lists are typically distributed at Roundtables every October, February, and May. We try to review merit badge applications submitted between distribution months at least biweekly and notify the applicant within approximately one week of that review whether they have been approved or not.

The current Merit Badge Counselor application form and instructions are available from www.cccbbsa.org, RESOURCES, FORMS/APPLICATIONS, Merit Badge Counselor Application. It can be filled out electronically or printed and filled out. Please use only this form and dispose of any stock of old forms you may have. Please do not print the application and stockpile them because they can go out of date due to changes in BSA Safe Scouting rules. Please just give prospective merit badge counselors the link to the form and let them fill in out.

Advancement Committee, Chester County Council, BSA
