Beach Jam

Our May camping trip was to [Beach Jam](#), an annual scouting event held in Wildwood, NJ at Morey's Pier over the weekend of May 21 – 23. This trip was well attended, especially by our younger scouts. Everyone had a fantastic time and the experience was overwhelmingly positive!

A big thank you to **Russ Levin** for coordinating this trip!

June Family Day

Our troop sponsored family picnic was held on Saturday, June 12th at noon at Valley Creek Park in East Whiteland. Despite the heat and humidity, the event was a success. Special thanks go out to **Sherri Gartner & Joe Linderman** for coordinating this event.

High Adventure 2010 Update

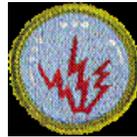

Planning and preparation for this year's High Adventure trip along the length of the C&O Canal is well underway. A crew of five Scouts and three adults has been set. The crew plans to bike and canoe the canal, from Cumberland, WV to Washington, DC beginning July 17th and ending July 25th. **Mike Harris** continues to oversee this trip with help from **Joe DiGiorgio**.

High Adventure Committee

Joe DiGiorgio has agreed to chair the High Adventure Committee. The High Adventure Committee is responsible for planning and carrying out our annual high adventure trip.

Any Scout who will be 14 years old by the time of a high adventure trip and who holds the rank of at least First Class may participate in the trip. Any adult who would like to serve on this Committee should get in touch with Mr. DiGiorgio. The first agenda item for the Committee is to identify next year's trip.

Science Camp

Last call for Chester County Council's Science Camp to be held from **June 27th to July 3rd** at Camp Ware. This is a fun and educational camp where the boys can earn science related merit badges that may be difficult to otherwise complete. The camp is open to boys who have been active with a Boy Scout Troop for the past year, have already attended a week of summer camp, and have attained the rank of Second Class. This year, **Mr. Bhaskar** will be teaching the Computer merit badge.

Registration for Science Camp is done by individual families, and not by the Troop. For more information about Science Camp, including a list of all the merit badges offered and registration information, visit [Science Merit Badge Camp and Radio Camp for Boy Scouts](#).

Summer Camp Update

The Troop will camp at **Roberts Campground** from **July 4th – 11th**.

[Medical forms](#) are required for all Scouts and are due to Mrs. Harris by **June 22nd**. Medical forms must be signed by a doctor within the last year.

Adult leaders are needed for summer camp. We must have 2-deep leadership at all times and this means having 3 leaders on-site in case

someone must leave. Leaders are called away from camp for a variety of reasons, so we must plan for this contingency. Please let Mrs. Harris know if you can be an adult volunteer. If you have already volunteered to spend some time at the camp with our Scouts as an adult leader, a big THANK YOU for your invaluable service! The boys could not spend a week at summer camp without our adult volunteers.

Soaring Eagle Camp

There is an exciting new opportunity offered through the Chester Council Boy Scouts of America called the "Soaring Eagle Camp" where scouts can complete much sought after merit badges, including the historical merit badges only being offered this year as well as Eagle rank required classes. The camp runs from Sunday, August 1st through Saturday, August 7th at Camp Ware. For more information regarding requirements as well as registration, please [click here](#).

Cabin Cleanup

The annual cabin cleanup was held on **Saturday, May 15th**, from 9 a.m. to 1 p.m. Jobs performed this year include painting over graffiti, sweeping the interior, clearing branches off of the roof and hanging pictures and awards. Thanks to all the scouts and parents who came in to help and a big thank you to **Mike Dixon** and his committee for arranging the clean up day!

Mulching

This year's mulching of the church grounds went off well with **John Weissman's** leadership! Our mulching meeting was well attended and it was heartening to see so many of our younger scouts partaking in this activity. Our mulching talent has been recognized by BUMC; Troop leadership received many compliments on a job well done!

A Time to Tell

On **June 15th** during our regular Troop meeting we will be showing **A Time to Tell**. Youth protection training has many parts. Every Scout handbook has a guide enclosed for parents to

review with their Scouts; reviewing this guide is a requirement of earning the Scout rank. The DVD that we will view together is further enforcement of the lessons in the guide. The fundamental lesson taught by all of the materials is the 3 R's: recognize, resist, and report. **All Scouts are required to view A Time to Tell**. Please make every effort to have your Scout attend the meeting on June 15th. For those who miss, a later showing will be arranged. Thank you in advance for your cooperation! As further incentive to attend, pizza will be served at 7:30 so come on time with an appetite!

Adult Leadership Positions

Thank you to **Sara Reindel**, **Eric Hohenshuc** and **Joe DiGiorgio** for stepping up to chair the Scouting for Food, Camping and High Adventure committees respectively! The list of [Troop Committees](#) was recently posted on our YahooGroups site. The parents in our Troop, by filling vital roles, keep our Troop strong. Your help is needed! Please look over the list of committees, consider where you can best help and then be a volunteer – contact the chair of the committee on which you would like to work. We are transitioning some adult positions this year: Committee Chair, Quartermaster, , Training Coordinator. We currently have vacancies and are in need of a a Roundtable Representative and a Court of Honor Committee Chair. If your skills and talents match these positions and you can volunteer, please speak with Linda Bravacos, Scott Wilson or the person presently in the position.

Eagle Projects

The troop has decided to archive our Scouts' Eagle Project proposals. If you are working on your Eagle Project, please submit a short description to Jayashree Bhaskar for publication. If you have completed an Eagle Project, you may also submit a description to Mrs. Bhaskar for publication. The Troop Committee has decided to use our Newsletter as a permanent record of the Troop's Eagle Projects.

Congratulations!

Congratulations to the following Scouts who have earned merit badges and advanced from April 10, 2010 – June 14, 2010:

Ian Weissman - First Class

Clark Hillenbrand – Citizen of the Nation, Disability Awareness, Family Life and Music merit badges

Ian Wilson – Emergency Preparation merit badge.

Fundraising Committee News

The Fundraising Committee, co-chaired by **Sue Morris** and **Cassie Jamison**, has set **June 19th** for the Troop's car washing fundraiser at Wayne United Methodist Church from 8:00 a.m. to 2:00 p.m. Wayne UMC is located at 210 South Wayne Avenue in Wayne. All Scouts should sign up for a the time slot that he wants to work. All money donated during the car wash will be divided among the boys who work, according to the number of hours each works. This is a good way to earn some money for your individual scout account! Click here, [car wash](#), for a flyer to post or to e-mail to your friends and family to remind everyone to come out, get a clean car and support the Troop!

The Committee announced that the Paoli Hospital evacuation exercise, that generated income for the Troop last year, will not be held this year due to budget restrictions at the state level.

The recent Troop-wide poll generated a decision to hold a **Weekend Popcorn Blitz** combined with a **Joe Corbi Sale** as our main fundraiser. **Kate VanMeter** has kindly stepped up to be our Popcorn Kernel. Please mark September 11th and 12th on your calendars as the dates for our popcorn sales at the Paoli Acme. More details will follow. **Ms. Morris** and **Ms. Jamison** are running the Joe Corbi sale again this year.

Finally, the Fundraising Committee has arranged for our participation in the eScripts program with Genuardi's. To sign up, see either

of the fundraising co-chairs.

BSA's new rank requirements

A new Scout handbook has been issued for 2010. All Scouts with earlier handbooks have been given an envelope containing a handout of the new rank requirements, plus two stickers to attach to their handbooks. The envelope should be kept by the Scout with his handbook. When a boy becomes an Eagle, he will be required to have fulfilled the new rank

requirements for each rank he achieved in 2010 and going forward. Any boy who already held Life before 2010 does not need to worry about the new rank requirements for himself but he does have to be aware of the new requirements so that he can help younger scouts advance. The new rank requirements can be found in a Word document posted at the YahooGroups website, [click here](#).

Adult Training

All registered adult leaders and all adults who have regular contact with Scouts whether in Troop meetings or on camping trips, must take Youth Protection Training once every two years. This is a BSA requirement and protects you and our Scouts. The online course can be found at myscouting.org. When you have completed the course, print your certificate and provide a copy to our Troop training coordinator, Cindy Sharo, so that the Troop will have a record.

There is a convenient way of satisfying the [Adult Leader Training](#) requirement. CCCBSA will sponsor adult leader training at both camps this summer. Please look for a flyer in your mailbox when you check into camp for details on locations of the training sessions for your week. All summer camp training courses are free of charge. Training Certificates will be issued.

Need to know what training to take? Registered leaders must complete 5 specific courses to be “fully trained.” These are: Fast Start, This is Scouting, Scoutmaster Specific Training, Introduction to Outdoor Leader Skills and Youth Protection Training. Three of these courses can be taken online at myscouting.org. The remaining two courses are offered periodically through Chester County Council; check their [website](#) for more information. Need more information? An “Adult Training Continuum” has been posted on our [YahooGroups site](#).

Some additional training is required for certain Scout activities. For example, when swimming is planned on a camping trip, an adult on the trip must be trained in Safe Swim Defense, Safety Afloat and CPR. Best practices require that some adults on every camping trip be trained in CPR and first aid. We have posted on our [YahooGroups site](#) a record of our adult training.

To keep our records up to date, please send Cindy Sharo a copy of the certificate you receive each time you complete a boy scout training program. If you are CPR certified, have completed a first aid course or are a medical professional, please provide Cindy with this information as well.

Every Scout deserves a trained leader. Please do your part to oblige him.
